Course Pass Rate – 93.75%

“I'm pleased to say I passed and the course was a great help in preparing. Thanks for organizing it”

“I passed - thanks so much for the course. It was really helpful and definitely a massive contributor to me passing!”

“I passed... which is a huge relief! I would say that your course was a major part in my prep. Having done the *[other]* course previously (which I found very unhelpful and quite soul destroying) I was quite apprehensive about signing up to A Line... but it was brilliant. Very well organised and a great group of people to study with.”

“I passed! Thanks so much. It was definitely one of the most helpful things that I did - just the sheer volume of practice was what really made the difference I think”

“Thanks for your course it was definitely helpful!”

“Thank you so much for the course.”

“Unfortunately I failed the exam. I am planning to set it again in May, is it possible to get enrolled in the course for that.”
