“Really thankful for the Vivamatch service - it really helped with motivation and extensive practice. Don't think I would have been anywhere near passing without it!”

“Just to say a massive thank you - I passed my viva on my third attempt and I don't think it would have been possible without A-liNE. I have highly recommended the course to a few of my friends who unfortunately were not successful this time round.”

“Thanks for running the viva match course, definitely a major factor in helping me pass.”

“I have passed my SOE with almost perfect marks. All thanks to you and for organising this amazing club. This is the best strategy I followed for my exam. Thanks to all the fellow candidates who helped me during our viva practice sessions.”

“I passed the SOE with 48. Thanks for organising this, this was definitely the most useful part of all of my revision!”

“I passed! The course has been really beneficial for just getting talking in the viva way.”

“Somehow I managed to pass the OCSE and VIVA (and miraculously got 48/48 in the VIVA!) Thanks so much for organising such a great revision system!! Completely invaluable practice!”

“I am glad to inform you that I have passed this time. Will highly recommend the course to my colleagues. It truly helped me a lot.”

“Yes I passed my SOE! Thank you so much, this course was excellent and I will definitely be recommending it to everyone I know sitting in the viva.”

"Thanks for organising. Glad to have passed on my third attempt! I think was a fantastic course and nice to schedule our own timetable."

"I'm happy to say I passed! It was a great course and I look forward to signing up for your future final courses. It was lovely to also meet some of the other vivamatch candidates in person on the day after practising so much."

"I passed... which is a huge relief! I would say that your course was a major part of my prep.

Having done the [other] course previously (which I found very unhelpful and quite soul destroying) I was quite apprehensive about signing up to A-line... but it was brilliant. Very well organised and a great group of people to study with."

"I've managed to pass this time round. The viva match sessions were invaluable and thank you for organising the course."

"I passed! Thanks so much. It was definitely one of the most helpful things that I did - just the sheer volume of practice really made the difference"

"I think the A-line was so helpful for me, especially the constant practice. I learnt a lot from other candidates about the structure and how to answer appropriately- thanks so much organising."

"I am delighted to say I passed the SOE and OSCE first time. Thank you SO much for such an invaluable course. I do hope I can join it again when I get round to doing the final!"

"Passed the SOE (& OSCE) and attribute a huge part of this to the sheer amount of practice I got from Vivamatch - will definitely be recommending it to anyone who asks."

"Unfortunately I failed the exam. I am planning to sit it again in May, is it possible to get enrolled in the course for that."
